

for My
Love <3

Hi, My Sweet **Bannu**,

Mujhe khud samajh nahi aa raha tha ke yeh feelings kya thi, lekin pehli baar jab tumse baat ki thi, kuch alag hi mehsoos hua. Pata nahi kaise, par pehle din se hi tumse pyaar ho gaya. Jab tumne pehli baar apni muskaan se mujhse dekha and baat kiya, tabhi se dil ki dhadkan kuch zyada hi tez chal rahi thi. Yeh sab mere liye naya tha, isiliye thoda time laga samajhne me.

Yeh meri zindagi me pehli baar ho raha hai ke kisi ke liye itni gehri feelings aa rahi hain, aur main is safar me thoda confuse ho gaya hu, galtiyaan bhi kar raha hu, par unse seekh bhi raha hu. Tumhara pyaar, tumhe samajhna, yeh sab mere liye bilkul nayi journey hai, aur main seekh raha hoon ki tumhare emotions ko kaise samjha jaaye, kaise tumhe khush rakha jaaye. Shayad isiliye kabhi kabhi thoda slow ho jata hoon.

Sach bataun tho, mujhe nahi pata love letter kaise likha jata hai, bas jo mere dil me tha, wo likh raha hoon. Shayad tumne yeh intezaar kiya hoga ke main yeh baatein kab kahunga, aur shayad maine thoda zyada waqt le liya kehne me, par main bas apni feelings ko samajhne ki koshish kar raha tha.

Lekin ek cheez jo main abhi tak bilkul sure hoon—main tumse sachcha pyaar karta hoon. Tumhari khushi, tumhara saath, sabse important cheez hai meri zindagi me. Tumhara muskurana mere din ko banata hai, aur tumhara saath mujhe poora mehsoos karata hai.

I Really Love you Aliya!!

Tumhara hamesha,
Satyam
